

Fire Safety

- Fire doors are clearly marked, never obstructed and easily opened from inside.
- Smoke detectors/alarms and fire fighting appliances conform to BSEN standards, are fitted in appropriate high risk areas of the building and are checked as specified by the manufacturer.
- Records are kept of fire drills and the servicing of fire safety equipment.
- Our emergency evacuation procedures are approved by the Fire Safety Officer and are:
 - clearly displayed in the premises;
 - explained to new members of staff, volunteers and parents; and
 - practised regularly.
