

Health and Safety

Statement of intent

This setting believes that the health and safety of children is of paramount importance. We make our setting a safe and healthy place for children, parents, staff and volunteers.

Aim

We aim to make children, parents and staff aware of health and safety issues and to minimise the hazards and risks to enable the children to thrive in a healthy and safe environment.

Methods

The preschool leader and the chairman of the committee hold responsibility for the health and safety of everyone that attends Alderton Acorns. However, it is also the responsibility of all staff, parents and volunteers to report anything to the Pre-school leader or the chairman that they deem is unsafe whether it be a piece of equipment or a practice that we carry out. The health and safety poster is displayed on the door in the cupboard.

Insurance cover

We have appropriate insurance cover and the insurance certificate is displayed on the welcome board. All insurance certificates need to be kept for 40 years.
